

ROTHLEY PARK CRICKET CLUB

MONTHLY PRIZE DRAW

For a monthly subscription of say £10, an individual receives 10 individual £1 numbers in the monthly draw with prizes of £100 / £40 / £30 / £20 each month.

The subscription is collected by bank standing order.

The Club Lottery is designed to allow an individual to either personally own all their numbers or sell them on to other individuals to mums, dads, grandparents, sisters, brothers, workmates and friends, helping to further raise valuable funds to support the cricket club.

Look at it as your own individual fund-raising effort on behalf of the club.

Joining the Monthly Prize Draw will significantly help us in developing such facilities at the club whilst also contributing to the continually increasing cost of maintaining the wickets, outfield, surrounds, nets and pavilion, together with the substantial cost of insurances and other operating costs.

A £10 per month subscription is also a requirement of senior playing membership and as such is a pre-requisite of being considered for regular selection at weekends.

Please support YOUR cricket club.
